Today’s Program:
SWOT Analysis and Event Discussion. We will conduct a SWOT analysis to evaluate the Strengths, Weaknesses, Opportunities, and Threats of our Lodge. We will also discuss both planned and potential events and gather feedback on what types of activities we and our family members would be most interested in participating in.

FROM THE EAST

Greeting Brethren,

I hope you all are having a restful holiday season and feeling recharged for the new year ahead. A heartfelt thanks to our previous officers for their service, and congratulations to our newly installed officers! We had a great year for our Lodge in 2025, and we are planning to continue our growth in 2026. Your participation in our next stated meeting is crucial in order to kick off a productive and successful year for our Lodge. We will conduct a SWOT analysis to evaluate the Strengths, Weaknesses, Opportunities, and Threats of our Lodge. We will also discuss both planned and potential events and gather feedback on what types of activities we and our family members would be most interested in participating in. If you are unable to join us, I am asking you to please provide feedback by filling in a survey that will be send out via email on Friday, Jan 9, 2026. Please let me or any of our officers know if you need a ride to our meeting. I and my spouse, Julee Farley, wish you all a Happy New Year, and I hope to see you in our next stated meeting.

Kyriakos Tsoukalas
Worshipful Master
